VIDHYAPEET.COM

simpliRP VIDHYAPEET offers practical training programs and certifications for simpliRP ERP & Process Training, suitable for manufacturing MSME & SME.

Completely Online - SELF LEARNING -SELF ASSESSMENT training PROGRAM on BEST PRACTICES, PAIN POINTS OF BUSINESS, PROCESS FLOWS & PROCESS AGILITIES.

AUDIT MANAGEMENT SYSTEM

*Most-Economical **AUDIT Management System**, enables you to create an AUDIT PLAN for Both PROCESS or RESULT Audit. Publish Audit Plan Calendar, DO AUDIT on assigned DATE & TIME, Record AUDIT OBSERVATIONS with OPPORTUNITY FOR IMPROVEMENT, STRENGTH, SITE ISSUES, AREA TO ADDRESS, NON-VALUE ADDED ACTIVITIES, NC, PA and CA.,*

AUDITORS can Publish AUDIT REPORTS along with Uploaded Supporting PHOTOs and Supporting DOCUMENTS.

BUSINESS CONTROL & MANAGEMENT SYSTEM
[Workflow Management System]

*With **BCMS** , Organization can define the document workflow path and process the documents based on laid down policies , workflow path, escalation matrix and workflow swim lines & approval path. It provides the organization better visibility on each task being executed, its process status and approval status.*

It also provides agile & secured way of sharing the scanned documents for data entry to different geographical locations and even to centralized data processing centers. Keep track of processed documents & actions on them.

Why **OSDB** :

We at **OSDB SOLUTIONS PVT LTD**, come from decade of experience in Manufacturing, Production, Assembly Lines, ISO & Process Compliance.

We are particular about establishing process control, monitoring and categorically negating 'Sub-Standards'.

We equally give importance to affordable solutions to MSME, SME & SMB businesses.

"To Help Our Customer To Find The Sustained Competitive Advantage"
